

# USA HOCKEY--SOUTHEASTERN DISTRICT

## Referee's Game Report

### Part I: Instructions

1. This form will be used by USA Hockey game officials to document all game-related incidents that result in the assessment of one or more game-suspending penalties to one or more players, except for suspensions resulting from violations of Rule 404(d) (Excess Penalties) .
2. Use a single form to record all penalties assessed during a single stoppage in play. These include minor or misconduct penalties that lead up to or otherwise relate to the game-suspending penalties. Use a separate form for each separate incident (stoppage of play).
3. The Referee (in the one referee-two linesmen system) or the Senior Referee (in the two-referee system) is responsible for completing all game reports.
4. Completed game reports must be received by the local USA Hockey Supervisor of Officials, or other designated authority, **within 48 hours** of each incident, except for reports involving **physical assault on a game official**, which must be received **within 24 hours**.
